Megan uses her cheerleader stamina to fuck like crazy.

#### **Salivating For Schoolgirls**

Dear Virgin Territory,

I had two favorite models from the Back to School Oct. '15 issue: centerfold Megan and covergirl Dolly. Megan is a fabulous cheerleader babe. Dolly is a schoolgirl cutie. Both are beautiful young women. This issue gave me two schoolgirl angels to love. I hope Megan and Dolly will pose again in the future.-J., Milwaukee, Wisconsin

Dear I.,

Dolly also posed in the Dec. '15 issue and has another set that will run soon. Sadly, we don't have any more sets of Megan to run.

#### **Pee and Pee-Pees**

Dear Virgin Territory,

The Nov. '15 issue arrived yesterday, so here are my thoughts on it. The photo of Jennifer (page five) squatting and getting ready to pee makes me

hopeful that the peeing DVD will be ready soon!

I do NOT wish to see teens taking big black cocks! I would like to see them take mine (even though it really isn't that big). Not too keen about the lipstick on nipples

idea either.

Liza's photo on page 25 of her pussy is nice. Looks like she has a nice one! Avalon-interesting name. I would like to have her cum soaked

panties. Kasey-what can I say about her other than I would like it if she would come and visit me! I liked the photo on page 52 the best. Olivia-pages 73 and 74 where she is standing and the camera is looking

up at her pussy. More of this type photo please. Alice-nice, cute. Could come and visit anytime as well.

I am hoping Jennifer's peeing

Kneel down and gaze up at Olivia's spread twat.

scene on The Sex Tutor DVD will also be on the peeing DVD.-J.H., Aberdeen, South Dakota

Dear J.H.,

Thanks for writing in. The peeing

DVD will be ready for readers to order
in the next issue.

#### **Cum Shot Musings**

Dear Virgin Territory,

I think reader W.V. was spot on about Foxy's cum shot pic. I mean an up-close photo of one boob getting cummed on is a bit disappointing. I know you're just trying things out and I do want to see up-close cum shot pics, but not like this. That cum

like Alaina's cum shot pic, so all in all the May '15 issue was okay. A bit disappointing for hardcore but I liked all the girls in the mag.

Now onto Alli's hardcore set from July '15. I really like Alli and love her big tits

and the way she had her hair up in this set. Her hardcore set was top class, but the cum shot pic is a massive disappointment. I mean, a big full page photo and no cum on Alli whatsoever. That flop of a guy you call a stud must be sacked. I could have done a 100 times better than him to give Alli a facial. And would it kill you to put a bit of titty-fucking in the mag too?

As you know I have been an 18eighteen fan for a long time, and you will know I love Emma Redd from Sept. '06. I found her hardcore pics from Teens In Need in March '07 but just one wee thing: I was sad to see no cum shot pic in with that set. If you have that cum shot pic can I have it? Keep up the good work.—J.M., Falkirk, Scotland

Dear J.M.,

We try to include the biggest and best cum shots that we can, and apologize if they fall short. We

provide us with the sexy kink material I've mentioned in former emails and correspondence.

First of all a big hooray for the pee scene in The Sex Tutor. It was very arousing, and the girly sounds she made while doing it were very sexy! I only thought a slight improvement would be to have her pee in the pool directly behind her both so we could hear it naughtily tinkle in the water and her witness naive attempt to hide the evidence of her indecency. Then again maybe the suggestion is just a different way to do it.

Secondly, I thought your attempt at lipstick nipple photos largely missed the point.

- a.) You used a girl with the tiniest nipples ever.
- b.) You used a really dark red lipstick that didn't really stand out.
- c.) It had a chalky appearance that wasn't sexy at all.
- d.) For all intents and purposes the attempt at sexy lipstick nipples failed on all accounts!

My advice on this matter is this: a.) Use a girl with puffy, pointy or otherwise large nipples to accentuate the effect of the lipstick (duh).

- b.) Use hot red GLOSS lipstick NOT CHALK! You aren't trying to hide it and it's supposed to have a lubricated-for-sex look.
- c.) If you would like a demonstration of a presentation of sexy lipstick nipples watch Elizabeth Berkeley's flop film Striptease from the nineties. The film and her acting career wasn't fantastic, but when she unveils her lipstick nipples to that creep at the end of the film before she beats the shit out of him it's actually pretty sexy. Well that's enough from me for now, I hope I was a help.-J.H., via email

Dear J.H.,

Sorry you didn't like the lipstick nipple photoset. We'll use glossier lipstick and a girl with bigger nipples next time.

#### Irish Lezzies

love to see a photo spread of two Irish girls ages 18 to 20 have lesbian sex with a 21-year-old. That includes the 21-year-old wetting her knickers. Make the two younger girls lick her cum-stained panties clean.

I fully appreciated the photos of Mary on pages 18 to 25. I wanked myself silly over her. I'd like to see her having lesbian sex with Alice from Orange County, California where they indulge in cunt licking and pissing.-P.C., Belfast, Ireland

Dear P.C.,

That's a very specific request! We don't get many Irish teens, if any at all. But if we do we'll see if we can work our magic and hook her up with two other cuties.

Malvina's Magic

Dear Virgin Territory,

I am writing to you about Malvina, the very cute-looking, young, fuckable fairy from Riga, Latvia. The way she opens up her pretty pussy lips on page 68 is erotic and eve-opening, as you can sorta tell how tiny and tight her pussyhole is. It's nice how she exposes all of her pussy for our pleasure with her lips wide open. You can see all of her smooth, naked pussy.

I love the two poses Malvina does on page 69. They are a very nice look at her backside. You can see her nice butt, and the other pose of her from head to toe gives us a full-frontal view. And she has no tattoos and no piercings on her body of any kind, which gives total attention to her naked body. To me, piercings on the body and tattoos take away the youth of 18-year-old teens and makes them look older. And I would like the 18-year-

> Malvina shows off her slender teen body, which is free of both hair and tattoos. An anonymous reader in Washington appreciates this about her.

> > fresh!-Anonymous, Tacoma, Washington

Dear Anonymous, Maddy from Sept. 15 and Cece on page 76 of this issue don't have any tattoos. Malvina is also a total cutie, so we included a photo of her for you.

#### OUR FLATTIES KEEP GETTING NAUGHTIER WITH EVERY DVD!

Flatties are full of surprises. That's why we've been able to release nine DVDs in our best-selling Flat & Fucked series. 18eighteen readers can't get enough of them! In naughty number nine, the itty bitty titty committee has more dirty antics they want to share with you. Rachel is a shoplifting slut who uses her pussy and tiny boobs to get out of trouble. This skinny flattie can barely fit that giant cock into her tight pussy. She works her little hole around the head, slowly easing her way down the long shaft. Once her pussy is warmed up our stud begins to pound away. Emma has a sweet tooth and orders a sugary drink whenever she visits her local coffee shop. But what she really wants is to get a taste of the barista's sweet cum. He whips out his cock and she sucks and fucks away!

#### THEIR DIRTY LIL' SECRETS!

On the outside, Lily looks like a wholesome girl-nextdoor who spends her weekends at home baking cookies. But the truth is that her libido is raging and the only cookie that's getting eaten is her own! We get to go with gorgeous Elsa to the doctor. She gets a thorough examination, including a

breast and pelvic exam. The doctor checks her from the inside with his cock. Then he opens her up with a speculum and sprays her twat with hot cum.

#### **BIG, HARD COCK FOR LITTLE TITS!**

A guy with big-titted models on his wall asks Alex if he can see her boobs. She's happy to lift up her shirt to show him that flat can be sexy too. His boner agrees. She spits on his cock and licks his shaft. He puts her on the desk and shows her just how much he appreciates her flat chest. JMac gives Danielle a spanking, and it turns her on. As a

result, her throat and pussy open up, which they'll need to if she's going to take all nine inches of cockmeat.

# Do you have any fun sex stories to share?

"Hmm, I'm not sure. I've had sex in public twice. Both times were on the beach, once at night and once in the daytime. It was fun, but then again what girl doesn't love sex on the beach? The nighttime beach hook-up was when I realized that I love anal play. I was on all fours in the sand while the guy ate my ass. It was the first time anyone had done that to me. I haven't done anal though. But you never know."

Bladder full, chest pounding with excitement,
Megan found herself
in a tough spot.
Locked out on a
freezing winter day,
it was either drop
her drawers in the
snow and relieve
herself in the yard, or
maybe her neighbor
might let her in. She knew he had a
thing for watching her. This might lead to some...

egan stopped outside her door and glanced inside. From where she stood, she was invisible, which, for the moment at least, was how she wanted it. Then again, at ten o'clock at night in the second floor hallway, one wouldn't expect to be spotted by too many people. But then, not many people lived next door to the Dolans...or had a bedroom window that faced directly into their son Brent's room. Megan, however, did. She'd also been getting creative in putting that window to use. Like she planned on doing now.

One look was all she needed. Everything was as she'd left it. The curtains were still open. Her mom hadn't closed them when she'd come in, hunting down her bloomers and nightshirt from the night before. Bonus. There'd be a clear, unobstructed view across the hedge line from Brent's window into hers. If she was sitting on the corner of her bed, he'd be able to see everything. And, lately, Megan had been showing off quite a bit.

Showing off naked, that was, now that Brent was back from college on Christmas break. Megan wasn't quite so lucky. Still half a semester from graduating high school, her break had already come and gone.

Brent hadn't gone yet, though, and the two of them had cum quite a bit the past couple of weeks. Ever since she'd noticed Brent's curtains twitching a little one night while drying off after getting out of the shower. At first, she hadn't thought anything of it. But the next night, she'd noticed it again. Only that time, she was sitting in front of her computer, panties around her ankles, two fingers buried up her cunny, thumb grinding against her clit like a guy's tongue.

Well, the way she thought a guy's tongue would feel, going at her down there. Having almost no

SWEAT

experience with guys, getting eaten out was still a thing of fantasy and marathon masturbation sessions.

At first, she'd been a little weirded out. The thought of Brent watching her get off made the hair on the back of her neck stand up. But...the more she thought about it...the wetter she got. Panties unwearable kind of wet.

And so, she'd done more than think about it. She started leaving her curtains open all the time. Sometimes, she would just study, waiting to see if anything happened across the way. Brent's parents worked, which meant he was home alone most of the time. And, his curtains were always closed. Which was how Megan knew he was there. Even if she didn't spot the fabric moving every once in a while, she was still sure. Brent was a geek. Not a bad looking geek, but a geek nonetheless. He didn't have many friends, and, from what Megan knew, spent most of his free time online. When she bumped into him, he always found some reason to cut the conversation short and flee inside.

To jack off? Megan had always wondered. It wasn't too hard to tell when Brent was sporting hard junk. Now, she was certain. He'd been spying on her through a slit in those closed curtains, and...and...

And she'd been gushing into her panties ever since. What had seemed weird at first now got her horny as hell, and once she got going, she was a multi-climax kind of girl.

Lately, she'd been wondering if she should let on to Brent that she knew she was being watched. See if maybe he wouldn't open up his curtains and give her a little something to look at. She'd seen him in swim trunks this past summer during his family barbecue. Well, before he'd run off and disappeared, that was. She'd noticed the tent he was pitching, and she didn't think he had anything to be ashamed of downstairs, that was for sure. So maybe, if he knew she knew what he was up to...

Still, she didn't want to ruin it. So, she slipped into her room, booted up her laptop, turned the screen to face her, and sat down on the edge of the bed, stark fucking naked. The door locked, her bedroom light blazing,

she fished around in her diary box under the bed until she found her best friend's best friend-the vibrator Jill had gotten her for her birthday.

Across the way, the curtains shifted. Megan put the head of the boy toy into the crease between her thighs. Her clit started to tingle.

She wondered what Brent was doing. She imagined him standing there, able to see her but believing her unaware he was watching. Would he be naked, or just with his shorts down? Shorts down, she decided. Cock in hand, stroking his meat, maybe a thing of Vaseline on the dresser within easy reach. Watching her finger herself, legs spread wide, offering the best view possible of her neatly trimmed pussy. Jacking himself faster the more outrageous she got behind the glass.

She remembered the night she'd got down on all fours, bare ass pointed toward the window, and rode her vibrating partner like it was a rodeo event. On her nightstand, she'd set up a mirror, so she could get a look at Brent's window. Boy, had the curtains on his side of the fence been jumping that time! That night had been the best so far. She hadn't planned it, but right before she soaked her sheets with girl juice, she'd reached back, and on a whim,

with her middle finger. Something she'd never done before. Something that made her gasp when her orgasm drove through her.

That night, for the first time, she'd gotten a glimpse of the curtains briefly splitting open. Barely a heartbeat, but a flurry of activity going on once they were closed again. The next day, she'd come home to find a different pair of curtains hanging behind Brent's window. She'd fist-pumped in celebration.

Jizz-stained curtains! Point for the home team!

Legs wide, fresh batteries in her plastic fuck toy, Megan tried to see if she could recreate history. It wasn't hard—she was desperate for a good orgasm. Or three.

he car was gone when she got home from school, so she keyed herself in and checked the kitchen table. Her disappointment was immediate. No envelopes addressed to her from colleges she hoped to attend in the fall. Frowning, she turned to the 'fridge, buoyed by her mom's note.

Went to the mall with Aunt Helen. Mailman hadn't come yet. Be home later for dinner.

The bathroom was calling, but she put her bladder on hold, racing for the door. Yesterday, Jill had heard from two of her top five schools, and gotten accepted to one. This week, a lot of those kinds of letters were going to show up in mailboxes, and Megan was anxious to see if she'd made the cut at her choice of schools. She burst out the front door, tromped through the snow to the mailbox, and threw open the lid.

Jackpot.

She was sorting through the stack of goodies. Catalogs for her mom,

the cable bill, some junk mail...
and three envelopes from
colleges she'd applied to.
Feeling the sting in her
full bladder, she headed
back up the walkway,
kicking the snow off her

Ker-slam!
The wind. She
hadn't noticed it. But now,
the chill cutting through her,
her heart raced. The front door

had slammed right in her face. Worse, her keys were inside.

"No!" she cried, grabbing the handle anyway. She pounded it with her thumb. "No no no no no!"

This wasn't good. She was in her UGGs and warm jeans, but that was about it. Already, her nips had turned to stone, her flat-as-a-board chest lacking any boobie flesh to keep her buds warm. Now, they were poking through her t-shirt, call-

#### Zabrina is 18, but she likes to pretend that she's even more grown up.

We asked her what was up with the oversized bra, and she replied that she wears it hoping that it will make her look more sexy and seductive. "My boobs are so small, you know? I thought that maybe if I wore a fancy bra with matching underwear it would make me seem more womanly and distract from my little boobs. That's also why I don't shave my pubes. I like to have a nice, full thatch. So maybe when guys see it they'll think I'm more experienced than I really am."

# Do you watch porn or play with yourself?

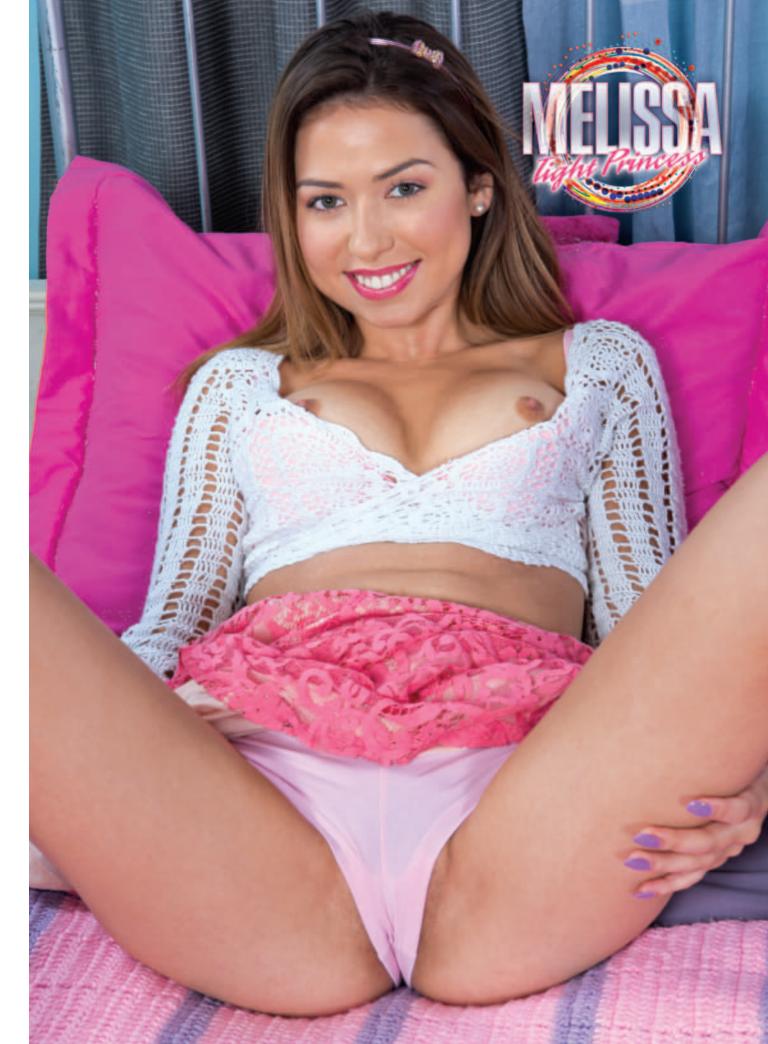

"Yes. I just recently started getting into all that. I never really watched porn before, but one night a girlfriend popped in a DVD she stole from her older brother. It was crazy 'cause I'd never seen anything like that before. I got so horny that I rushed home so that I could masturbate. I kept thinking how good it looked when the guy's willy was thrusting in and out of the girl, and how they looked like they were having so much fun and how I wanted to have sex like that. Now I'm hooked on porn and masturbating."

## Melissa's quite the catch. She's beautiful, horny and interesting!

This Texas beauty was always a high achiever, doing well in high school and currently studying psychology in college. But when she wasn't buried in books she was being naughty between the sheets. "I was always a good girl in class, but outside I was a little devil. I think it all began with an all-girl orgy I was in during a sleepover. After that I felt super horny all the time. It started off with me being obsessed with giving head. I wanted to do it all the time, and to swallow the guy's load. Sex was always on my mind. But I wouldn't do it until I had finished my homework, of course. Sex was always an incentive for me to finish studying."

# Can you think of a time when you came the hardest during sex?

"Yes. One of the hottest moments of my life was when I tried anal and loved it. In all honesty, I didn't know if I was going to like it, but I like to try everything at least once. I was definitely not disappointed. It felt amazing, and I felt like I was going to pass out during the orgasm. Now whenever I watch porn I always look for a hot anal scene to enjoy with one of my many vibrators."

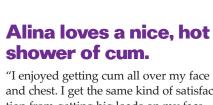

# Alina makes just the right amount of sexy noise in this scene.

She's neither quiet as a mouse or fake loud. Her moans are genuine, and you can tell by the way she coos while getting her butthole fingered that she's all about the back door lovin'. And it's even more evident once she's finally getting fucked in the ass. She takes it deep and moans with approval. "I love a cock in my ass!" she says. We love that cock in your ass, too, Alina.

"I enjoyed getting cum all over my face and chest. I get the same kind of satisfaction from getting big loads on my face and body as I do when a guy cums inside my pussy and asshole. Just give me cum!"

"Just my girlfriends when we go to the bathroom together. It's no big deal for us to pee or shower or change in front of each other. Now that you mentioned it-I've seen lots of guys pee because they just whip their dicks out and go wherever, but a guy has never watched me pee. I'm not against it though. It would be kind of fun if a guy watched me one day when I had to squat behind a bush because there was no toilet nearby."

# Do you meet lots of guys at the beach?

"Sometimes I like to ask random guys to rub sunblock on me so I can watch them get hard-ons. It usually doesn't go anywhere, but one time I did fuck a guy I met on the beach. He started massaging me while rubbing the sunblock in, and he really knew what he was doing. He made my pussy soaking wet! We went into the ocean and started making out and feeling up on each other. We were both really turned on and into the moment, so we went to his SUV and fucked in there. I came like crazy. It was one of my hottest experiences."

ing attention to themselves. Or, they would have been, if anyone had been around to see her.

The wind picked up again. She had goosebumps growing that felt as big as her nipples. And, she had to go.

important She stuffed the envelopes into her back pocket and ditched the rest of the mail inside the storm door. Ideas...she needed ideas. She could go behind the garage if she absolutely had to, she supposed. But the backyard was packed with snow. It was a good foot high along the fence, and she had no idea what it would be like behind the garage. Probably worse. She couldn't imagine dropping her drawers and squatting in snow high enough to touch her ass.

The mere thought of it made her shudder. Guys. They had it easy. Hell, they could write their name in the snow if they had halfway decent ai—

That got her to thinking. Squeezing her thighs together, she jogged around to the side of the house. She ignored her own window—no climber she, and instead, stared at Brent's. As always, the curtains were drawn. But she thought, just maybe, she could see a shimmer flickering up there.

"C'mon Brent, be home," she said, racing to his front door. She tried the bell first, then knocking. She prayed he wasn't gaming. If he had his headphones on...

But luck was on her side. With not quite relentless pounding, the door opened, leaving a rather startled looking Brent standing there. No, not startled. Worried.

"Megan," he stammered, struggling to get the words out. "I, uh, you know, I didn't want you to think I was, you know, uh-"

"Stow it, Brent," she said, cutting off the gibberish. "I need a favor. I got locked out of my house and—"

"You need me to pick the lock for you?" he asked, excited. Megan was starting to get the picture. Brent thought she was here for something else, and she had a pretty good idea what he thought she might want to talk to him about. But, now wasn't the time. Wet panties, she had no problem with. Wetting her panties on Brent's doorstep on the other hand... She didn't want to think about it.

"Brent, can I use your bathroom? I just got home from school and..."

He got the message. Still stumbling over his words, he stepped aside, letting her past. Then, he hooked a right.

"C'mon upstairs," he said.

Megan didn't know why, but she wasn't about to argue. She followed him up, falling into step beside him. He stopped beside a closed door.

"Here. You can use mine."
"Why? So you can watch?"

They froze. Megan, stunned by how sharp her words had come out. Brent, because his secret was a secret no more. She knew all about the goings-on behind his curtains. They stared awkwardly at each other. Megan, feeling like a righteous bitch, wanted to break the silence. But Brent beat her to it.

"C-can I?" he managed, before his mouth clamped shut. As if he'd let the words escape accidentally.

What had merely been awkward a moment ago turned outright uncomfortable. Had Brent really just asked if he could watch her pee? It didn't seem real. But Megan knew she'd heard it. The redness creeping up into his neck and cheeks confirmed it.

"No," was on her lips. But then... then she thought about it a second. She'd been hot for Brent for months now. Pretending she didn't know what was going on over here on a pretty much nightly basis whenever he was home from school. Just last night, she'd all but done a split she hadn't performed since she'd been in gymnastics, all to give him a full-on view of her twat while she drilled it with her vibe on MAX. He'd seen her do herself with the handle of her hairbrush. He'd seen her trim her pussy down to peach fuzz and then diddle her clit and finger her slit 'til the bed sheets were soaked. Shit, he'd seen her fingerfuck her own ass...

"I'm, I'm, Megan, you, I just..." He couldn't get out of his own way. She thought he might start hyperventilating. But, she scoped out the bulge in his pants, and decided to save him.

"You wanna watch me pee, huh?" she asked, drawing it out. Making it sound, she didn't know, even dirtier than it felt. It sure seemed dirty, but saying it out loud? Boy, that took it to another level. Brent nodded, slowly. He'd run out of words.

"Okay," Megan said. "Since you asked this time."

The words felt bitchy coming out, but Brent's expression was like a puppy whose belly had just been rubbed. Megan wasn't sure what other kink Brent might be into, but having his spying thrown in his face didn't seem to embarrass him the way Megan thought it would. And, his erection was fucking huge.

She left the door open, feeling the need to get on with it. She kicked off her UGGs, and undid her pants, letting them slide to the floor before stepping out of them. Now she was in nothing but her tee shirt, socks, and panties. Panties that needed to come off, too. She lifted the lid on the toilet, then the seat. She turned back, then shook her head.

"Uh-unh," she said, staring at him. "This isn't how it's going to work."

It better work, a voice in her bladder spoke up. Time was running out. "But," he tried, his face falling.

"You said-"

"Oh, you can watch," she confirmed, jamming her thumbs into the waistband of her bloomers. "But I'm not gonna be the only one with my pants down."

Brent licked his lips. Gulped. Looked down at the monster bulge in his pants. His eyes met hers.

"You mean...you want me to-?"

"Take 'em down, sport," she said, holding off on removing her undies. "I can wait."

She didn't think she could, but luckily, Brent wasn't about to protest. He yanked down his sweats, and a pair of Jockeys that was under so much strain Megan thought the seams might burst. He stood there, cock standing at attention, Meg unable to take her eyes off it.

Holy shit but Brent was hung. Like, porno movie hung. As she lifted one foot out of her undies, all she could think was: How can I get him to put that thing inside me???

First things first, though. She had pressing business to attend to. She straddled the commode, butt resting against the seat. She pulled open her folds, eyes locked on Brent as he watched, eyes wide in anticipation.

"You ready?" she teased, but couldn't hold out for his answer. Her bladder opened, a hot stream of piss rushing out of her, noisily splashing into the bowl.

Brent's cock spasmed. He grabbed Continued on page 84

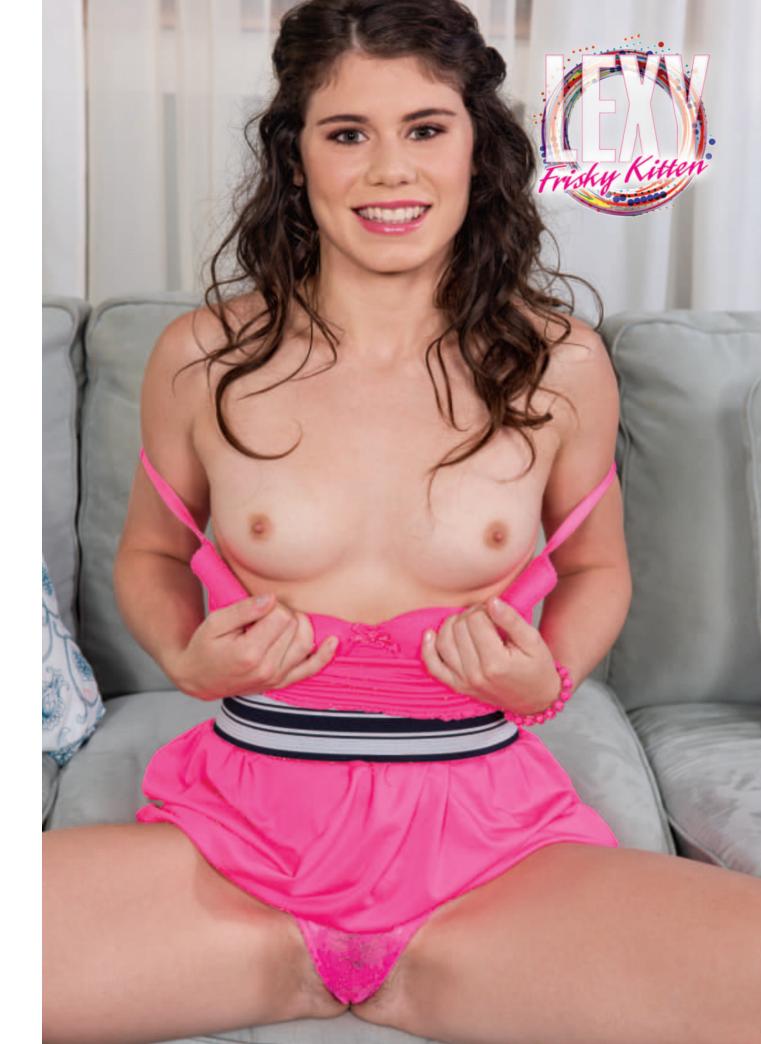

# Lexy, you mentioned something interesting about the way you masturbate.

"[Laughs] Yeah, I like to put clothespins on my nipples and clit. I guess you could say I like a little bit of pain. Like if a guy gently bites my nipples or clit—I love it! I also love to get fucked hard. If we're in missionary and the guy is slamming into me, I lose it and can cum so hard multiple times."

## What's been one of your craziest sexual experiences?

"They mostly involve group sex. I recently started college and the first month I was there I went to a frat party that later turned into an orgy. I remember thinking, yes, it's really happening! My dream is coming true! I'd been in three-ways before and I knew I liked the group sex thing, so an orgy was the next step. Everyone in the orgy was so hot, and I loved being able to go from sucking on a hot girl's tits to sucking some guy's big, hard cock, all while getting fucked from behind as different people felt me up."

hold of it, wrapping his fist around it. Megan "Mmmmmmmm"d, and bit her bottom lip. Brent started stroking.

"Is that what you were doing last night?" Megan asked breathily.

Brent nodded, eyes riveted on her crotch as she peed. His balls looked like they were the size of apricots.

"You knew?" he asked.

"I've known," she said, pausing to enjoy the feeling of her bladder emptying. "Ever since the beginning."

That seemed to take him by surprise. His stroking grew faster. His cockhead was turning purple thanks to the death-grip he had on his shaft. Megan felt her urine stream beginning to ebb.

"You just...let me watch?" he asked, holding up mid-stroke. Megan smiled at him wickedly. Ran her tongue across her upper lip.

"You have no idea how...fucking... hot it made me," she explained. Her pee flagged to a dribble. The final few

droplets splashed into the water.

"You know what I was thinking about when I was doing all those things by my window, Brent?" she asked, exhaling with relief. "You. I was fantasizing about you coming over and fucking me. Fucking me like a slut with that big cock of yours."

She reached for the paper.

"Wait!" he shouted. Before she could move, he was there, hands on her hips, his turgid prick brushing across her belly. He wrapped his arms around her, lifting her off the floor like she was a rag doll. He swung around, depositing her on the vanity next to the sink. Both of them were breathing heavy, their faces inches apart. He smelled like chewing gum. He moved in slowly, his lips barely touching hers. Then, passion taking over, his tongue probed her mouth, finding hers and hungrily tangling with it.

Then, she was throwing her head back, howling without restraint, his penis finding her virgin canal, filling it to an extent Megan wasn't quite sure was anatomically possible. Not until he was buried balls-deep in her, at least. Stretching her more than her sex toy or hairbrush or anything else she'd ever used had.

"Oh, oh, oh yes!" she screamed, unable to control herself, grateful

Brent's parents both worked. She wrapped her legs around him, shuffled forward, and let his cock turn her insides into mush.

Her pussy still felt warm. Slick, even. If Brent had any reservations, she saw no hint of them. His massive fuck stick kept finding her core, bottoming out at times, her walls throbbing with the rhythm of their sex. Because this was sex all right, pure, raw, all-hormone-driven raunchy sex.

And Megan was loving it. Her virginity had been ripped away in the blink of an eye, and the burning sensation that followed had given way to a tingling, body-wide flood of pure pleasure. She wondered if Brent was a first-timer, too, but didn't dare ask. After all, he was dorming at college. If any of the girls at 'State had a clue what Brent had hanging between his legs, for sure they would've taken the geek to bed, wouldn't they?

She didn't care. Virgin, non-virgin, it didn't matter. She was coming up on the mother of all climaxes, and dug her nails into the back of his neck.

"Un-n-no-now!" she squealed, her cunt muscles clamping down around his fat rod and holding on for dear life. Now when he thrust, he was driving her all the way back into the mirror, her ass rubbing the countertop rough enough to generate heat.

"Oh, you've gotta cum, Brent," she whispered in his ear. "You have got to blow your load for me!"

"Close," he gasped, banging away at her gash, pussy slop and pre-cum slicking up the vanity.

"I want you to shoot," Megan said, egging him on. "I want you to fucking jizz, you hear me? Empty those big balls all...over...me."

She kissed him hard. Could feel his rhythm breaking down. He was on the verge of busting his nut, and she couldn't wait.

"Megan," he said, gritting his teeth, trying to hold out a bit longer. "You want me to cum on you?"

She nibbled his ear. "I said, all over me, Brent. I mean all over."

He grunted, closing his eyes.

"I wish I knew someone like you at school," he said, resting his head on her shoulder. "If only there was someone like you..."

Then he pulled out. Megan grabbed his pole, wrapping her legs around him even tighter. His balls pressed into her folds.

And then it started.

Jets of hot ball butter erupted out of his tip, blasting her in the chest. The tide of jism sprayed across her midriff, filling her belly-button with a wad of hot sperm. Megan jacked him furiously, geyser after geyser of nut cream flooding out of him. Megan pulled a hand off his cock, bringing a finger to her lips. Brent shuddered as she sampled his jizz, hungrily swallowing it down. When his cobra finally finished spitting, Megan looked like someone had thrown a carton of milk on her.

"I think I'm gonna need to wash up," she announced when he stepped away. Brent looked embarrassed at the way he'd left her. But she smiled.

"You don't need to watch that, do you?" she teased. He laughed, picked up their clothes and gave her a little privacy. Meg was grateful for it.

She couldn't walk. She had to crawl to make it into the bathtub.

egan came into his bedroom wrapped in a towel, flopping down on the bed beside him. Only then did she notice the envelopes he had opened. All from her back pocket.

"Good news or bad?"

"Depends on who you are," he replied, folding the letters and putting them back.

"I don't understand," she said. "What do you mean?"

He handed her the stack.

"Congratulations. You got accepted to all three."

She ripped the letters back out. He wasn't lying. She'd gotten into her top three choice schools. She looked up at him, but still not understanding.

"I," he explained. "Go to 'State. You...well, pretty much looks like you can go anywhere. Those are all top schools. If you can get in to those?" he shrugged. "You're going to get a lot more."

"You know," she said, crawling over to lay next to him. She put her leg up over his and rested her hand on his dick. "I've always had a soft spot for 'State."

"Really?" he said, looking at her with an expression of hope.

"You mean...you didn't feel it?" she asked, pulling herself on top of him. "Here, let me show you. It's right, down, here."

Soft, indeed. And very wet.
